general tendencies which prevailed when business closed on Friday.

Nothing whatever of novelty was added to the general situation over the holidays. The London market for American stocks was shown at material gains in comparison with the local final prices of Friday, and foreign houses bought actively in this market when business opened. No change appeared in the anthracite strike situation, notwithstanding the confident expressions of opinion in quarters which ought to be well informed, that the troubles would terminate of the convention of Brotherhood of Locomotive Firemen, at Ghattanooga.

Warder Building. The agent for the children's cases made the following report for the month of August:

Cases investigated, 15; number of children's Guardians, 1; amicably adjusted, 15.

The President will arrive at Chaitanooga at 8:30 on the morning of the file day on and around the battlefield of Chickamanga.

On Monday, September 8, he will address the convention of Brotherhood of Locomotive Firemen, at Ghattanooga.

opened were Union Pacific, Atchison, St. Paul, Erie, Reading and Louisville and Nashville. Among the railway specialties the Celorado Southern stocks and Toledo, St. Louis and Western were conspicuously strong and active. Manhattan Railway and Brooklyn Rapid Transit enjoyed a fair degree of support also. Among the miscellaneous stocks Annalgamated Copper was strong, as was Tennessee Coal and Iron and People's Gas. Western Union was actively dealt in at advancing prices. The United States Steel stocks were firm on an increasing volume of business.
